

Parent information – Student Declaration and Permission online

To reduce paper handling and the administrative load on schools, the School Curriculum and Standards Authority has developed an online procedure for collecting student declaration and permissions in 2014.

The deadline for students to complete this process online is 29 August 2014.

Student Declaration

Year 12 students and those students enrolled in the WACE examinations need to declare that they are aware of the requirements to achieve the Western Australian Certificate of Education (WACE) and for sitting the WACE examinations. These requirements are listed in the Year 12 Information Handbook which is available on the Authority website at http://www.scsa.wa.edu.au/internet/Publications/year12_information_handbook

When checking this declaration box online one of the requirements is that your son or daughter has discussed them with you. Please refer to the above link for this information.

Student Permission

Year 12 students and those students enrolled in a WACE examination will be asked to give permission for the following:

(a) ***Release of their name should they win an award***

The School Curriculum and Standards Authority award winners are published in the media and on the Authority's website if permission to do so has been given by the student.

(b) ***Use of school work for creating support materials***

The School Curriculum and Standards Authority is seeking permission for the use of school work produced during 2014 e.g. assignments, projects, portfolios, tests, school-based exam responses.

(c) ***Use of examination responses (written and practical)***

The School Curriculum and Standards Authority is seeking permission for the use of:

- WACE written and practical examination responses (copyright owned by the student); and
- images and sound recordings of the student in photographs, audio recordings and audio visual recordings that are made during the WACE practical examinations (copyright owned by the State of Western Australia).

Your son or daughter will be encouraged by the school to discuss each of the above questions with you prior to completing the student permission. The online procedure has been developed so that your son or daughter cannot complete the student permission unless they click on 'Yes' to 'I have discussed my responses to the above questions with my parents/guardians'.
