

Year Nines Instructions for NAPLAN

ON Tuesday, Wednesday and Thursday, you will be completing NAPLAN tests during periods one and two. Language and Writing is on Tuesday, Reading on Wednesday and Numeracy is on Thursday. On those days at 8:50 on the first siren, **do not go to your period one class**. You need to first place your bags in the school cafeteria. Do not bring your bags with you, you will be provided with writing materials (except on Thursday, when you will need your calculator). If you wish you may bring water in a clear container. Year Nine special conditions students need to sit in room 70 in the bottom floor of the Maths Building.

Year Nine special conditions students need to go to room 70 in the bottom floor of the Maths Building.

After leaving your bag in the cafeteria, move to the stairs at the back of the EL Building (facing the oval) and enter the second floor, where your NAPLAN paper with your name printed on it will be placed on one of the desks. The papers are arranged alphabetically, last names starting with A start at EL11 through to names starting with Li at the opposite end in EL7. On the opposite side, last names starting with Li start at EL16, through to Z in EL12, as in the diagram below. The table below also shows you in which room you will be sitting.
