

Year Sevens Instructions for NAPLAN

ON Tuesday, Wednesday and Thursday, you will be completing NAPLAN tests during periods one and two. Language and Writing is on Tuesday, Reading on Wednesday and Numeracy is on Thursday. On those days at 8:50 on the first siren, **do not go to your period one class**. Proceed directly to the Maths Building, where your NAPLAN paper with your name printed on it will be placed on one of the desks. The room in which you will be sitting depends on your period one teacher. Check the classroom in which you will be sitting in the table below, and make sure you know the location of the room from the diagram.

To make it clear, do not go to your period one class on Tuesday, Wednesday or Thursday, go directly to the Maths Building. You will leave your bags in the area outside the classrooms. You will be provided with writing materials (except on Thursday, when you will need your calculator). If you wish you may bring water in a clear container.

Year Seven special conditions students need to sit in room 78 in the second floor of the Maths Building.
