16. A window pops up asking for your user name and password. Use your DET Portal (School Email) Username (Firstname.Lastname) and password. This has been reset on the first week of term. Ask your Tute teacher for your password. It will not work on your MacBook until you have logged onto a Windows computer at the school and changed the password (in the library or computer lab). Type user name: green\firstname.lastname. Make sure you use a backslash, not forward slash.
